

## NEWS RELEASE

### Adea going to Sapphire 2009!

**Irving, Tx – March 6<sup>th</sup>** -- As a valued member of the SAP community, we wanted to let you know that we are exhibiting at the SAP Sapphire conference again this year.

SAP and ASUG are again partnering to present the two most important business and technology events of the year: SAPPHIRE and the ASUG Annual Conference. Network with your peers and gain expert insights, customer-driven education, and SAP engagement – all in one place!

We will preview our latest offering, the Google Search Appliance for SAP, as well as our full spectrum of SAP services.

Please make plans to come see us and we look forward to seeing you in Orlando.

#### About Adea, Inc.

Adea, a global business and information technology consulting firm, is based in Dallas/Fort Worth, Texas and was founded in 1996. Adea provides a comprehensive suite of services for commercial and government organizations, and has four major service categories: Information Technology Services, SAP-Implementation and Upgrade, Administration and Support, Management Consulting and Business Process Outsourcing (BPO). Adea leverages its "Global Engagement Model" (GEM) to develop and deliver solutions for clients worldwide from its facilities in the U.S., Europe, China and India, engaging over 1,000 team members. Adea is a Microsoft Gold Partner, Google Enterprise Partner, is ISO 27001 certified, and has won a number of international, national and regional growth awards, as well as receiving industry recognitions for quality and delivery. Adea has more than 100 customers including top global companies in retail, healthcare, telecom, technology, manufacturing and communications, as well as U.S. state and local governments. Adea is one of the largest certified minority-owned technology firms in the U.S. and may be visited at [www.adea.com](http://www.adea.com). All brands mentioned herein are registered trademarks of their respective owners.
